

All Souls 2022

Dear Friend of St. Jude,

*The souls of the righteous are in the hand of God
and no torment shall ever touch them... (Wisdom 3:1)*

All Souls is an important feast as it joins the saints in heaven, the faithful on earth, and those who have died in the communion of all the faithful.

This feast clearly demonstrates the connection between all the faithful, both the living and the dead, and offers to those still in need of salvation a clear and vibrant image of the Communion of Saints.

This year marked for some of us the passing of someone we love: a friend, a family member, an unborn child, a treasured mentor, or other important person in our lives. **As happens each year, the Church will remember during the month of November the souls of those who have died, and we will remember in a special way those devotees of St. Jude or their loved ones who died during the year.**

We will invoke St. Jude's intercession on behalf of our dear departed loved ones, and we will pray for those left behind to mourn them, knowing that one day we will all be reunited with them, with our holy patron, and with our Blessed Lord in heaven.

Please use the form enclosed with this letter to submit your petitions for those you wish to remember; or enroll them online at: stjude-shrine.org/enroll-in-current-novena.

We will place the names of your loved ones on the altar and pray for the repose of their souls along with you, during the month of November. Please pray also for those of our St. Jude family who died during the past year.

Sincerely in Christ and St. Jude,

Fr. Emmerich Vogt, O.P.
Director
